

Dave Bufkin

Dave serves as HORNE LLP's chief information officer and is responsible for the innovation, planning, implementation and management of the firm's technology. He serves as chairman of HORNE's IT project review committee and a member of HORNE's technology committee.

Dave joined HORNE in 2005 and brings more than 15 years of experience in building and leading client-centered technology teams. He has more than 25 years of combined IT experience in software design, system analysis, firm wide project management and systems deployment, network development and administration, mergers and acquisitions, and support.

Dave is a graduate of Delta State University with a Bachelor of Business Administration in Management Information Systems.
